

St. Nicholas Food Drive: 2:00 to 3:00 PM, December 5, 2020

Many of St. Nicholas' member families have lost employment due to COVID. Since the start of the pandemic, the Rector has been collecting food staples and delivering them to these families each week.

St. Nick's has been a good home to NGM for more than a decade. In appreciation of their support, we are sponsoring a food drive for these families on Saturday, December 5 from 2PM to 3 PM. The Rector will meet us in the south parking lot of St. Nick's to receive our donations.

This is a drive-by event; please have your donations at the rear of your vehicle (back seat or cargo area) where the Rector can reach in and pick them up. She will move all donations into the church, where she and her assistants assemble the contributions into boxes for delivery to families.

These boxes consist of staples for a week's worth of groceries. The items needed are listed below. Donations should be new and unopened in the original packaging, and still within the "use-by" time period.

If you have questions, or would like to participate but being there on December 5 doesn't work for you, send an email to Denise at president@needleworkguildmn.org. Thanks for any aid you can provide!
